Congratulations to all our SJFY Enhanced youth participants!

YES Employment Services celebrated an employment victory for local young people involved in the **Summer Jobs for Youth (SJFY)** program. YES was thrilled to see federal, provincial, and municipal representatives in attendance to weigh in on youth employment in Thunder Bay and congratulate the youth participants.

For the first time since YES began delivering the Summer Jobs for Youth program, the **Ministry of Children and Youth Services** has provided enhancements to the program which allowed YES to place youth in positions during the winter months. In December of 2010, **44** youth began their positions and on Saturday March 26th, we celebrated their success with a luncheon at the Victoria Inn.

YES would like to thank the Ontario **Ministry of Children and Youth Services** for its management of the program and for awarding us the opportunity to deliver a program which has had a positive impact on the lives of so many young people in Thunder Bay. For more celebration highlights visit our **website** and/or **facebook** page.

Registration for SJFY summer placements will begin **April 1st**. Visit our Resource Area or website for more information on selection criteria and program details.
