Older and Experienced Worker Forum—Employment Ontario Expo

The Older and Experienced Worker's forum was well attended and information seekers kept the YES booth hopping.

YES Employment Services was thrilled to participate in this exciting event that had the Airline Travelodge filled with older and experienced workers on November 18th. YES presented information about Employment Ontario programs along with Lakehead Employment Services and Northwest Employment Works in two "We're Here to Help" workshops. YES would like to thank the North Superior Workforce Planning Board for including us in the planning of this very successful event.

Older and experienced workers can visit YES for complete information about the Targeted Initiative for Older Workers, a federal/provincial cost-shared program and Employment Service funded by
