### FUNDERS:

YES is also funded by its own fundraising initiatives. Partnership programming working for you

Daniel Reoch (left) is the newest roofing team member at **Best Buy Roofing** pictured here with owner Rene St. Jacques.

“ I think that between the E.S. program and myself, we were able to come together and provide Daniel with a real turnaround in his career. There were some bumps and hiccups along the way, but I saw potential in him and investing the time to train and challenge him really paid off. He committed himself to this opportunity and became a valued member of the crew.”

**Rene St. Jacques, Owner.**

Daniel came to YES with a sincere desire to find a career with a future. After discussion with his Employment Counsellor, it was clear that Daniel had his eye on the trades. YES had connected with Best Buy Roofing owner, Rene St. Jacques, who was looking for a roofer for his team. When YES suggested the job match, Daniel saw the opportunity with **Best Buy Roofing** as a great career starter. YES would like to congratulate Daniel on his success and thank Rene at **Best Buy Roofing** for providing this all-important opportunity for Daniel.
