Geoffrey Holtby has an interest and aptitude for all things technical. He received his Bachelor of Computer Science from Carleton University in Ottawa and returned to Thunder Bay to find work. When Geoff came to YES he was looking for career direction and guidance in how to best apply his education based on

the needs of the local labour market. With assistance from his employment counsellor, Geoffrey narrowed down his field of interest to computer repair and tailored his resume to a position that was open at Mentor Computers. His counsellor also encouraged him to include the transferrable skills that he gained from his volunteer work at Aids Thunder Bay and his experience as a teaching assistant at Soengkono Aikido (martial arts), where he is a senior student. The assistance from YES paid off and after a successful interview, Geoff landed the job. Congratulations to Geoff for finding work in his field and thanks to Mentor Computers for providing him with a great start to his career.

Special thanks to Greg Imhoff at Desjardin Financial Security who donated spots on the Nipigon Legion's roulette wheel to YES Employment Services North Shore Communities. **Doug Harvey** was the lucky YES NSC client who won a turkey from the legion as a result of Greg's generous donation. YES greatly appreciates this community support!

Our **Holiday Hampers** were filled to the brim, thanks to the generosity of YES management and staff. Clients filled out ballots throughout the month of December which resulted in a large number of client entries in our ballot boxes. The lucky winner of our "Singles" hamper was **Shawn**. **Sergio** won our "Family" hamper. Our winner at the North Shore Communities office was **Tom**. We hope you all enjoyed your holiday goodies!
