

## YES 30 Year Anniversary Celebration—Open invitation

YES is extending an open invitation to join us in celebrating 30 successful years of service delivery to the job seekers and employers of this community. Speeches in our resource area will feature YES clients whose stories highlight the role our agency has played in contributing to their success both now and in the past. YES looks forward to using this important milestone as an opportunity to thank its champions and supporters with special acknowledgement to program funders: the Ministry of Training Colleges and Universities, the Ministry of Children and Youth Services, federal funding and municipal supports.

Lunch will be served following speeches and you will be invited to experience a walk down memory lane by viewing display boards depicting YES and its staff throughout our 30 years of service delivery. Please “save the date” and plan to attend our celebration luncheon.
