

One to One Workshops

One to one workshops are all about providing personal assistance tailored to YOUR specific needs. This assistance can be applied to all aspects of your job search.

Personal, individualized assistance is available for all aspects of your job search. The most common one to one workshops booked are resumes and cover letters. However, YES can also help you explore your career options with our Discover Your Path and Career Cruising workshops. One to one assistance is also available to prepare and practice for an upcoming Interview. If you just need personalized assistance with your job search, this can be provided one to one as well. Success at Work, offers information on how to succeed in your new job.
